CHERRY GROVE 24" LOG SET

Optional Remote Control,
with variable fire intensity

- Radiant Riser technology directs the heat output forward
- Revolutionary molding process gives log detail previously unattainable with Ceramic Fiber Logs
- Ceramic Fiber material and Hargrove's Radiant Riser gives much greater heating efficiency than other vented log sets
- Heat comparable with vent free sets, with realistic fire and ember bed not possible with vent free units
- Available in LP and Natural Gas
- Available in 21", 24", 30" & 36" sizes
- Big impressive and spectacular fire with beautiful glowing ember bed.

WHY CHOOSE AN AMBIANCE® FIREPLACE OR GRILL?

Ambiance® transforms a house into a home!

Ambiance® products will add elegance, peace of mind and comfort to the Soul of your home. All Ambiance® products are carefully selected and designed with your home in mind, to enrich the areas of your home where memories and life take place. The best quality and innovation are shown in the enhanced detail and features that add a little «je ne sais quoi» in our Ambiance® designs.

Who are our designers? They are a network of over 300 Hearth & BBQ authorized members from coast to coast covering both Canada and USA. From Alaska to Québec and Florida to California, they know what it takes to warm up your life and use their real-world experience to design quality and innovative products for your home.

Who can sell the Ambiance® products? Only our select authorized dealers who are local professionals and who understand your local codes and standards.

A house needs a sense of Ambiance® to transform into a home.

*Ambiance®
the Soul of your home*
